QUALITY GEAR FOR LIFE

Waterproof Storage Solutions - Protect your Gear

Watersports Daypack

Dual compartment designed - welded zip pocket in front and Roll-top main compartment. Die cut shoulder straps with mesh for excellent ventilation.

15L - 72x19x15cm - Red
25L - 72x24x15cm - Purple

Milestone Hybrid Duffel

Instead of welding the bag entirely, the Milestone Hybrid Duffel is a smart combination of welding and seam taping. Made of Phthalate-free PVC Tarpaulin to better preserve the environment. Heavy Duty and extremely durable.

Small - 65L Slate Blue
Medium - 100L - White
Large 150L - Coral

Megatron

Flip-designed shoulder bag. Lined inner compartment with organiser for storing accessories. The capacity of this bag can easily be changed by adjusting the flipping position, or transformed into a tote bag.

Coral 45x35x15cm

QUALITY GEAR FOR LIFE
