The Nitestik glows for 10 years and glows up to 12 hours in darkness.

Designed for marking equipment and personal property, it is useful for anything you might wish to locate in the dark.

* Camping Gear - attach to tents, rucksacks/backpacks, sleeping bags, kits, mallets, corner pegs, torches, you name it and it will glow

* Fishing Gear Tag Light

* Ideal Keyring - never lose your keys in the dark again

* Pet Collar Tag - for the nocturnal feline/canine wanderer

* Emergency Equipment

We challenge anyone not to find a use for one!
